NCAA Grapples for Control Over Junior College Eligibility Rule

Michael Lowe, a partner in Troutman Pepper Locke's Health Care + Life Sciences Industry Group, was quoted in the September 15, 2025 *Bloomberg Law* article, "[NCAA Grapples for Control Over Junior College Eligibility Rule](#)."

"Right now this is the most pressing legal issue facing the NCAA in terms of its college sports litigation," said Michael Lowe, a litigation partner with Troutman Pepper Locke. "How it is resolved will help guide future courts in reaching decisions that involve the same issue."
