Pepper partner [Nina M. Gussack](#), the chair of the firm's [Health Sciences Department](#), was named to the board of directors of [Life Sciences Pennsylvania](#) (formerly Pennsylvania Bio), the premier trade association for the life sciences industry in Pennsylvania. She was one of 10 new board members announced on May 8, 2017.

"These leaders represent the breadth, diversity and geographic reach of Life Sciences Pennsylvania and we are grateful for their willingness to serve on our Board," said Christopher P. Molyneaux, executive director of Life Sciences Pennsylvania. "Clearly, each of these outstanding individuals will bring important expertise, insights and partnerships that will help enhance the association's effectiveness in advocacy and strategic connections."

Life Sciences Pennsylvania's mission is to ensure Pennsylvania is the U.S. hub for the life sciences industry by creating a business and public policy environment which fosters growth and success. The organization represents, and is composed of individuals, from the entire life sciences industry – medical device companies, pharmaceutical companies, investment organizations, research institutions and myriad service industries.
