Dan Anziska, a partner with Troutman Pepper Locke, was quoted in the January 7, 2025 *The Capitol Forum* article, "[Nippon Steel/U.S. Steel: Legal Challenge to Biden Ban Faces Tough Odds](#)."

A CFIUS review "was already a sensitive issue for foreign investors out of the Middle East, Taiwan, Singapore, and the like – let alone China," said Dan Anziska, a partner at Troutman Pepper Locke who specializes in the panel's deal reviews. "Now the question is, Has [the] Rubicon been crossed where there will be an increased likelihood of rejecting investments from ally nations?"
