No Infringement Intended: Why Did Taylor Swift Re-record Her Albums? A Look at Music Copyright and Contractual Rights

WRITTEN BY

Christopher C. “Rusty” Close Jr. | Austin Padgett

Taylor Swift: TIME’s 2023 Person of the Year, [Billboard’s](#) second greatest pop star of the 21st century, and a global icon. Yet even she isn’t immune to the constraints of copyright law.

What inspired Taylor Swift to re-record her first six albums? To understand this saga and her motivations, on this inaugural episode of *No Infringement Intended*, we’re diving into the intricacies of music copyright law and the business realities of the entertainment industry.
