Pro Bono reminds us of the positive impact the legal profession can have on the community. A great opportunity to participate in Pro Bono and gain valuable legal and client experience is assisting with the formation of a nonprofit. Troutman Pepper is pleased to invite you to a Pro Bono training led by Ted Edwards, Lisa Petkun and David Golden on entity formation and obtaining 501(c)(3) status for the newly formed entity for nonprofits.

The training is approved for MCLE credit in California, Illinois, New Jersey (through reciprocity), New York and Pennsylvania. We will seek credit for all other states we have office locations. Credit for other jurisdictions may be available upon request. For more information, please email CLE Management.
