Over the past year, courts across the country have continued to reshape the landscape professional liability insurance. From high stakes coverage battles to nuanced interpretations of policy language, 2025 delivered a series of decisions that every insurer, broker, risk manager, and coverage practitioner needs to understand.

Join us for an engaging webinar that will highlight the most impactful professional liability insurance decisions of the past year and what they mean for your underwriting, claims handling, policy wording, and risk strategies. This program will complement our forthcoming publication, "2025 Professional Liability Year in Review," which takes a deeper dive into these developments and the trends driving them.

Our speakers will not only summarize the key rulings, but also discuss practical takeaways, including how these decisions may affect:

- Policy drafting and negotiation
- Claims strategy and coverage positions
- Risk management and compliance efforts

We invite you to join us for this timely and informative discussion and to gain a clearer view of where professional liability insurance law is headed in 2026 and beyond.
