# Nursing Home Facts and Statistics 2023

## RELATED PROFESSIONALS

[Callan G. Stein](#)

---

Callan Stein, a partner in Troutman Pepper's White Collar + Government Investigations Practice Group, was quoted in the December 19, 2022 *U.S. News & World Report* article, "[Nursing Home Facts and Statistics 2023](#)."

Cal Stein, a partner at Troutman Pepper in Boston, says that the pandemic also forced massive changes on facilities; they had to adjust operations to "harmonize" their practices with "the regulations and guidance that focuses on prevention, with the practical capabilities of the facility, the staff and the residents," he says.
