Bill Swanstrom, a partner in Troutman Pepper Locke's Energy Practice Group, was quoted in the April 1, 2025 *Law360* article, "[Oil & Gas Dealmakers Undaunted Despite Industry Worries](#)."

"You're certainly seeing more M&A activity that's more nat gas-driven as opposed to crude [oil] driven," said Troutman Pepper Locke energy transactions partner Bill Swanstrom. "People can see those drivers of nat gas demand."

...

"There's more optimism around growth in the energy economy than there is concern about negative impacts," Troutman's Swanstrom said.
