Troutman Pepper is sponsoring the Small Business Investor Alliance (SBIC) Outlook 2021: Navigating New Territory for Private Equity. Join us as CNBC's Ron Insana connects the dots to give the lower middle market a clearer idea of what the economic future might hold!

How will we navigate this new world as we consider the 2020 election results and ongoing pandemic disruptions? SBIA Outlook 2021 is a virtual conference that will give you direction on the U.S. economy along with insight into potential legislative and regulatory policy changes as industry experts provide strategic information and informed perspectives on how to prepare your fund and investments for the road ahead. Join us as we set the pace for the lower middle market in 2021!
