Overcoming Energy Conversion Challenges With Jason Barmann, EPC Power Corp

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#)

In this episode, host Bill Derasmo chats with EPC Power's Director of Grid Integration Jason Barmann. They discuss Jason's career transition from power generation to energy storage, the role and importance of inverters in energy storage systems, and the advantages of EPC Power being a U.S.-based inverter manufacturer. They also touch on their predictions for the future of the energy storage market, the importance of reliability, and the advantages of the emerging hydrogen market.
