Key players from the private equity, venture capital, and entrepreneurial communities will come together again at the PACT Capital Conference 2022 for a day of networking and professional development opportunities. Troutman Pepper has been a sponsor of the conference and its Opening Night Gala several times over the years. The firm is proud to support the organizers of this event, the oldest venture conference in the Northeast, and help facilitate its dynamic environment that has been the catalyst for billions of dollars in venture funding and entrepreneurial success.

Applications to present are due on June 30, 2022 and a conference agenda is forthcoming.
