Troutman Pepper Locke barrister Amita Chohan will participate on the panel “Penalty Shootout: Rising Stars Go Head-to-Head” during the INSOL International New York City Seminar on June 24, 2026.

Two teams of emerging practitioners step up to the penalty spot to tackle audience-submitted questions. With the clock ticking and the crowd watching, each team must deliver concise, confident answers to win points for their side. Expect quick thinking, friendly rivalry, and a final whistle that declares our 2026 Penalty Shootout Champions.
