# PFAS Webinar Series Part III: Practical Advice Following an Agency Request to Sample for PFAS

## SPEAKERS

[Todd C. Fracassi](#) | [Gregory W. Blount](#) | [AnnMarie Sanford](#)

---

Join Troutman Pepper attorneys for a monthly webinar series focused on PFAS.

This month's session will be focused on:

- Legal, factual and technical considerations in responding to a regulatory request to sample for PFAS
- Responding to a positive detection of PFAS, including legal considerations, source identification and agency enforcement
- Remediation and discharge permit issues
- Potential future liability, third party claims and off-site liability
