Philly BioBreak's Morning Networking and Panel Discussion

Cira Centre
2929 Arch Street
Philadelphia, PA 19104

Wednesday, April 20 • 7:30 – 9:30 a.m. ET

Troutman Pepper is proud to sponsor the Philly BioBreak's Morning Networking and Panel Discussion on Wednesday, April 20, 2022, at the Cira Centre in Philadelphia, PA.

The panel topic is: Decentralized clinical trials – with the interruption caused by COVID, clinical trials have moved on an accelerated timeline to decentralization. What does this mean for the patient experience, how have companies adapted, and what more could be done?

Philly BioBreak is a members-only relationship building community intended to foster a stronger regional environment for executives in the life sciences and investors. Each Philly BioBreak averages 100+ senior executives and investors in biotech, pharma, medical device, and diagnostics.
