# Point-of-Sale Finance Series: Banking on Lending Models

## SPEAKERS

Jason M. Cover | Chris Willis | Taylor R. Gess

---

In this crossover episode of *Payments Pros* and *The Consumer Finance Podcast*, Chris Willis, Jason Cover, and Taylor Gess discuss licensed lending and bank model lending programs. This conversation dives into the benefits, challenges, and regulatory landscapes that shape these popular lending models for financial institutions and fintechs. Consumer finance providers will gain valuable insights on structuring successful lending partnerships in today's complex environment.
