# Point-of-Sale Finance Series: Navigating Home Improvement Finance Risks and Regulations

## SPEAKERS

[Jason M. Cover](#) | [Mark J. Furletti](#) | [Taylor R. Gess](#)

---

In this insightful crossover episode of The Consumer Finance Podcast and Payments Pros, host Jason Cover is joined by colleagues Mark Furletti and Taylor Gess to explore the complexities of home improvement finance. The discussion delves into the unique risks associated with point-of-sale financing in the home improvement sector, such as contractor oversight issues, promotions, and the intricacies of state and federal regulations. Gain valuable insights into best practices for lenders and finance companies to mitigate these risks, ensure compliance, and protect consumers. This episode offers essential guidance on navigating the evolving landscape of home improvement finance.
