Point-of-Sale Finance Series: Understanding State Licensing for Nonbank Providers

SPEAKERS

[Taylor R. Gess](#) | [Joseph "Joe" Reilly](#) | [Paul W. Boller](#)

In this insightful crossover episode of *The Consumer Finance Podcast* and *Payments Pros*, host Taylor Gess is joined by Joseph Reilly and Paul Boller to explore the intricacies of state licensing in the point-of-sale finance sector. The discussion delves into the distinctions between licensing and notification requirements, the role of sales finance agencies, and the implications for third-party facilitators and direct lenders. Gain insights into how state-specific regulations impact nonbank entities and learn about the unique challenges sellers and third-party providers face in navigating these regulatory landscapes.
