SPEAKERS

[Chris Willis](#)

Chris Willis will provide insights at the 10th Annual Powersports Finance Summit as part of the “Navigating a Changing Powersports Compliance Landscape” panel to discuss the industry’s implications of changes at the CFPB, state regulators, and other federal agencies. In the world of financing motorcycles, ATVs, UTVs, watercraft, or RVs, the session will also cover regulatory considerations for originations, servicing, collections, and repossession, along with key compliance considerations for aftermarket product sales. The program will take place Wednesday, September 24, from 1:30 to 2:30pm ET.
