Wednesday, June 18 • 1:00 – 2:00 p.m. ET

Join Troutman Pepper Locke, InsurTechNY and InsurTech Hartford for their next InsurTech Legal Academy webinar on legal and regulatory issues impacting the InsurTech industry. Each quarter, we'll tackle a new important topic.

This webinar will address the application of the Fair Credit Reporting Act and state insurance adverse action laws to insurers and the attendant basic compliance requirements. Compliance with these laws is heightened in the ever-evolving world of the use of artificial intelligence in the insurance industry.
