Privacy Law Enforcement Enhanced By States' Tech Hiring Push

RELATED PROFESSIONALS

[Michael Yaghi](#)

Michael Yaghi, a partner in Troutman Pepper Locke's State Attorneys General and Regulatory Investigations, Strategy + Enforcement (RISE) Practice Groups, was quoted in the June 27, 2025 *Bloomberg Law* article, "[Privacy Law Enforcement Enhanced By States' Tech Hiring Push](#)."

"That ramped up enforcement will likely lead to more multi state privacy investigations like those seen in the data security space," said Michael Yaghi, partner at Troutman Pepper Locke. Yaghi, who works with clients on state and federal investigations, said he's seen more aggressive privacy enforcement lately from attorneys general.
