

Proof of Concept: Anatomy of a Breach – the Aftermath

RELATED PROFESSIONALS

[Ronald Raether, Jr.](#)

Ronald Raether, leader of Troutman Pepper Locke's Privacy + Cyber Practice Group, was quoted in the May 7, 2026, *Info Risk Today* article, "[Proof of Concept: Anatomy of a Breach – the Aftermath](#)," which was republished in *Healthcare Info Security*.

"To have credibility and legitimacy, we have to have a theme and a communication strategy that's grounded in the facts and if those facts change and we have to pivot in ways that undermine the company's credibility, that has long-term consequences," said Raether, partner at Troutman Pepper Locke.

...

Raether is a partner and leader of the Privacy and Cyber Practice Group at Troutman. He has helped companies navigate federal and state privacy laws for nearly 30 years. His understanding of technology – including his experience with data security, data privacy, patent, antitrust and licensing and contracts – allows him to be involved in legal issues that cross normal law firm boundaries.
