Join us for a panel discussion by Corporate Espionage lawyers Evan Gibbs, Gwendolyn Tawresey, Andrew Reed, and Bilal Zaheer as they share their knowledge on safeguarding trade secrets in the digital age, offering insights that are directly applicable to your business needs and challenges.

This session will educate attendees on the benefits and risks associated with protecting confidential and trade secret information, particularly in the context of the Defend Trade Secrets Act and the Uniform Trade Secrets Act. The presentation will be focused on specific strategies and action items for ensuring the trade secret status of your company's most highly confidential information and data. Our team will also delve into emerging concerns, such as the use of AI in relation to trade secrets. The goal of this panel discussion is to empower attendees with tactical guidance and advice on both legal and technical issues to effectively safeguard their company's most valuable assets.
