Q&A: The SEC Is Up & Running After Shutdown; Now What?

RELATED PROFESSIONALS

[Jay A. Dubow](#)

Jay Dubow, a partner and co-leader of Troutman Pepper Locke's Securities Investigations + Enforcement Practice Group, was interviewed in the November 18, 2025 *Corporate Compliance Insights* article, "Q&A: The SEC Is Up & Running After Shutdown; Now What?"

In the Q&A, Jay discussed what is typical for companies to experience during a government shutdown, how long companies can expect halted processes to begin again, lessons we can learn from past shutdowns regarding how long it may take to return to normal, whether we should expect a greater impact on registrants as compared to previous shutdowns, and other topics.
