ATLANTA – [Jim Calvert](#), principal at Troutman Pepper eMerge has been named a 2024 AI Visionary by Relativity, a leading legal and compliance software provider. Relativity’s [annual list of AI Visionaries](#) recognizes and celebrates changemakers who are reshaping the legal landscape through AI.

Calvert is among 20 leaders selected for this year’s AI Visionaries list. According to Relativity, the annual list of industry luminaries “recognizes and celebrates individuals who have explored, promoted, or experimented with AI in novel ways in legal applications.”

“It is an honor to be recognized among my industry peers on Relativity’s annual AI Visionaries list,” Calvert said. “At Troutman Pepper eMerge, we are steadfast in our commitment to utilize cutting-edge technology to provide strategic and tailored discovery plans for our clients. The potential of AI to redefine how the legal field provides service to clients is immense, and we are thrilled to be among those leading the charge in this exciting era of innovation.”

At Troutman Pepper eMerge, Calvert consults with case teams and external clients to develop strategies and matter-specific discovery plans for a wide array of litigation matters in state and federal courts, as well as arbitrations, governmental investigations, and regulatory proceedings. He has extensive knowledge in discovery law and technology and devotes his practice to advising clients on all phases of discovery and advocating for clients involved in discovery disputes. Before Calvert focused on eDiscovery, his practice included antitrust and trade regulation and commercial litigation.

Founded in 2012, Troutman Pepper eMerge combines legal strategy with advanced technology for the management of ESI in litigation and internal and governmental investigations. Several leading industry authorities, including Chambers USA, have recognized Troutman Pepper eMerge with awards and accolades. Learn more at troutmanemerge.com.
