John J. Leonti

Troutman Pepper Partner John Leonti will moderate two panels at the *Southeast Renewable Energy Conference* hosted by Infocast on November 16-18 at the Omni Charlotte Hotel in Charlotte, NC.

On November 18 at 11-11:45 a.m., John will lead a panel discussion on “Emerging Trends in the Southeast Renewable Energy Project Pipeline,” which will focus on investors, development capital providers, and lenders becoming more active in the Southeast and its effect on renewable energy projects.

On November 18 at 11:45 a.m. – 12:30 p.m., John will moderate a panel on “Lenders’ Perspectives on Southeast Renewable Energy Project Finance,” which will examine the qualities that make projects attractive to financers in today’s market.
