RISE 2023 Energy Summit

RELATED PROFESSIONALS

[Emily Huggins Jones](#)

[Emily Huggins Jones](#) will provide opening remarks and discuss opportunities and challenges facing the industry at the RISE 2023 Energy Summit on August 22, 2023 in Cleveland, OH.

RISE 2023 convenes leaders across business, government, and communities to chart an equitable path forward in the clean energy transition. This all-day summit focuses on strategically expanding opportunity for catalytic Midwest investment to help corporations, communities and households rise towards a cleaner, brighter future.
