Troutman Pepper Partner Ryan A. Schneider was featured in The University of Georgia School of Law's *Advocate*, "[Ryan Schneider & Jennifer Tourial: Building Relationships](#)."

Schneider is now a partner with Troutman Pepper, and he also has seen the pandemic affect the legal world, noting that "it's very difficult" in the less-personal virtual world, especially when it comes to interviewing students and young graduates for positions at the firm.

"Law is all about relationships," he said. "Relationships with your clients, relationships with your colleagues and, if you're learning, you need people to bleed on your work and come in your office and talk about law."
