Thursday, August 8 • 2:00 – 3:00 p.m. ET

In today's highly competitive business landscape, corporate espionage poses a significant threat to organizations of all sizes. This webinar will delve into the critical issues surrounding corporate espionage, with a specific focus on trade secret theft and the inappropriate use of intellectual property.

Join members of Troutman Pepper's Corporate Espionage Response Team for an insightful session where they will provide a comprehensive overview of:

- **Legal Implications:** Understand the legal framework governing trade secrets and IP, and the severe consequences of corporate espionage.
- **Preventative Measures:** Learn practical strategies and best practices to safeguard your company's valuable assets from espionage activities.
- **Potential Remedies:** Explore the legal and operational remedies available to organizations that fall victim to trade secret theft and IP misuse.
