Locke Lord is a proud sponsor of the 2023 National Summit for Middle Markets, taking place on October 15-17, 2023 in Palm Beach, Florida. [Jonathan Young](#) will participate in the Best Practices: Turnarounds, Bankruptcies, and Workouts panel at 2:45pm.

Changing deal partners, an uncertain senior lender community, a growing credit crunch. Will turnarounds and workouts become an even bigger issue? What once was relatively predictable, in terms of turnarounds, restructuring and workout agreements, are no longer predictable at all. Are you ready?

This signature event is designed to inspire, educate, and celebrate the industry. The National Summit offers the middle market a unique environment to connect with fund managers, limited partners, investment bankers and select providers.
