Joe DeMedeiros, Jeff Jefferson, Celia Marcum and Dan Sieck presented to the Boardroom: "Serving on a Board: Duties, Risks, and Protections for Directors." During this presentation the following topics were discussed:

- The governance baseline and the core legal framework for Directors; why Delaware law is key.
- How boards work: mechanics, fiduciary duties, and court review of board decisions.
- Role, eligibility, and what to address before joining a board.
- Where directors face real risk and how protections work in practice.
- Managing conflicts of interest and information-sharing, especially for investor-appointed directors.
- Practical takeaways for directors.
