Brad Weber will serve as a panelist at SMU Science & Technology Law Review's Antitrust & Big Tech Symposium on Friday, February 17. Brad's panel, Global Perspectives on Big Tech Antitrust Concerns, is from 1:30 – 2:25pm.

SMU Science & Technology Law Review, with support of the Tsai Center for Law, Science and Innovation at SMU Dedman School of Law, invites you to our annual symposium. This year's topic is Antitrust & BigTech. Attendees will hear from distinguished speakers in the Global Antitrust through a panel discussion a keynote presentation. The symposium will explore current Global Antitrust issues, ranging from the proposed Antitrust Venue Act to Antitrust Concerns in America and Abroad. The panel will also address the potential response of Antitrust jurisprudence to algorithmic pricing models.
