Solid AI's Agents in Action: The Future of Legal Work with AI & Copilot

Microsoft HQ
Redmond, WA

SPEAKERS

Alison A. Grounds

August 6 – 7, 2025

Alison Grounds will serve as faculty at Solid AI's Agents in Action: The Future of Legal Work with AI & Copilot bootcamp. The program will take place on Wednesday, August 6 at 4:00 pm PT to Thursday, August 7 at 6:00 pm PT.

The hands-on AI Bootcamp for legal professionals will include real-time demos, live agent training and collaborative workshops lead by Microsoft engineers. Over two days, 150 professionals will gather at Microsoft HQ to explore, design, and deploy real AI solutions for real legal challenges.
