

Speaking Engagements | November 6, 2025 | 8:30 AM - 5:00 PM ET

SOLID Atlanta

Georgia Tech

SPEAKERS

[Alison A. Grounds](#)

Alison Grounds will serve as faculty at SOLID Atlanta. As faculty, Alison will act as a conversation catalyst, guiding table conversations to ensure the dialogue is impactful for everyone at the table. The program will take place on Thursday, November 6 from 8:30 a.m. – 5:00 p.m. ET.

SOLID is a summit showcasing TED-STYLE talks discussing innovation, advanced technology, and the business of law. Talks are followed by facilitated table talks, panels, and town hall discussions that allow participants to have maximum interaction with peers and colleagues in a round table, workshop environment. Participants will assess current challenges and design concrete solutions to apply lessons to their own organizations.
