July 25, 2024

Alison Grounds will be speaking at SOLID Atlanta on July 25. SOLID (Summit on Legal Innovation and Disruption) is a TED-style talk summit focused on innovation and the business of law. Alison and the other speakers will give TED-style talks around the intersection of innovation, advanced technology, and the business of law. They will share what they are doing, how they are doing it, and the business impact it has. Troutman Pepper eMerge is proud to be the hosting sponsor of SOLID Atlanta.

Alison is the founder and managing partner of Troutman Pepper eMerge, a wholly owned subsidiary of the Troutman Pepper, which provides end-to-end, integrated discovery services for legal matters. Several leading industry authorities, including Chambers USA, have recognized eMerge and Alison Grounds with awards and accolades.
