Jonathan Young and **Chelsey Rosenbloom** are moderating a panel during the Strafford Live Webinar, Executory Contract Rejection in Bankruptcy: Leveraging the Rights of Contract Counterparties Under Tempnology, on September 9, 2021.

This CLE webinar will consider the rights, obligations and negotiating posture of a contract counterparty following the rejection of that contract under Bankruptcy Code Section 365. We will give particular consideration to how recent U.S. Supreme Court authority on this question has affected bargaining power and negotiating positions. We will also consider how creative counsel structure and draft agreements to maximize bargaining power in the event of a future insolvency or bankruptcy by one of the parties to the contract.
