Josh Gelfand co-presents “Employment and Benefit Plan Issues in M&A: Due Diligence Checklist, Transaction Strategies, Risk Mitigation,” hosted by Strafford on March 20, 2024 from 1:00 p.m. to 2:30 p.m. EDT.

The webinar will review these and other key issues:

- What are the key employment, executive compensation, and employee benefit plan considerations in M&A transactions?
- How does the M&A deal structure impact employees and benefit plans?
- What types of questions should be asked during due diligence to uncover any potential and costly issues that may impact the deal?
- What are some examples of employment-related offer and acceptance provisions, representations, and covenants to include in stock and asset purchase agreements?
