Thursday, April 10 • 10:00 – 11:30 a.m. PT

Jamey Collidge will serve as a panelist for “New Tariffs and Energy Supply Chains: Managing Impacts, Legal Insights, Practical Approaches,” hosted by Strafford on Thursday, April 10 from 10:00 – 11:30 a.m. PT. This CLE course will guide counsel on the impacts of recently imposed and proposed tariffs on the energy sector and the strategies attorneys and energy producers can use to navigate the resultant challenges. The panel will discuss steps to mitigate financial and legal risks associated with tariffs, as well as supply chain issues and contractual adjustments.
