Surplus Lines/Independent Procurement “101” and Common Regulatory Pitfalls

ON24

SPEAKERS

Zachary N. Lerner | John N. Emmanuel

Thursday, May 22 • 11:30 a.m. – 12:30 p.m. ET

This webinar will venture into the thorny regulatory pitfalls that plague many surplus lines brokers and surplus lines insurers alike. Topics include:

- What really satisfies the diligent effort requirement?
- Can all lines be written on a surplus lines basis?
- What laws traditionally applicable to the admitted market apply to the surplus lines space?
- What can a surplus lines carrier actually do without being licensed?
- Can producers act as “agents” for a surplus lines insurer?
