

Survey Evidence: A Gold Mine or a Minefield?

WRITTEN BY

Giovanni Visintini

This article was originally published in the May 2025, Issue 2 of [The Trade Mark Lawyer – INTA Special Edition](#).

Giovanni Visintini, counsel at Troutman Pepper Locke, reviews the critical role and complexities of survey evidence highlighted by the recent *Abbott Diabetes Care Inc v. Sinocare Inc & Ors* case, showcasing how improper methodology can turn a potentially valuable asset into a significant liability.
