**Jani Lotz**, Partner in Locke Lord's Real Estate and Finance Practice Group based in the Dallas office, was featured in a recent Texas Lawyer interview, noting her move to the Firm was driven by its nationwide presence.

"Most of my clients are in Texas, but they do work all over the country. They do a lot of work in California, Illinois and Florida and on the East Coast," she said.

Lotz added that "her segment of the real industry has been very busy as demand for warehouses has grown due to growth in online shopping, a trend accelerated by the pandemic."

The article notes that Lotz's addition highlights the latest strong, strategic real estate hire on behalf of the Firm.
