The 21st Century ROAD to Unlocking Community Bank Growth

SPEAKERS

[James W. Stevens](#)

Troutman Pepper Locke Partner [James Stevens](#) will serve as a panelist for the “The 21st Century ROAD to Unlocking Community Bank Growth” webinar, hosted by S&P Global Market Intelligence.

The webinar will bring together industry leaders to examine how recent legislative proposals under Title IX of the U.S. Housing bill could reshape the community banking landscape. Discussion topics will include the treatment of reciprocal and brokered deposits, pathways for new bank formation, and the unique obstacles facing depository institutions in rural communities.
