The CFPB's Report on Negative Equity in Auto Lending

Moving the Metal: The Auto Finance Podcast

SPEAKERS

Brooke K. Conkle | Christopher J. Capurso

In this episode of *Moving the Metal,* Troutman Pepper attorneys Brooke Conkle and Chris Capurso discuss the Consumer Financial Protection Bureau's (CFPB) new report on negative equity in auto lending. This report, the first of its kind, utilizes data from the CFPB's *2023 Auto Finance Data Pilot,* which was issued to major banks, finance companies, and captive lenders. Brooke and Chris analyze the impact of the report, including what the report may indicate for the bureau's upcoming priorities.
