The Current Landscape of Bank-Fintech Partnerships

The Consumer Finance Podcast

SPEAKERS

[Jeremy T. Rosenblum](#) | [Chris Willis](#)

Please join Troutman Pepper Consumer Financial Services Partner Chris Willis and his guest and fellow Partner Jeremy Rosenblum as they discuss the current landscape of bank-fintech partnerships, including how bank-fintech partnerships work, the challenges these partnerships face, and new developments in the area.

With more than three decades of experience representing the financial services industry, Jeremy focuses his practice on federal and state lending and consumer practices laws, with emphasis on the interplay between federal and state laws, joint ventures between banks and nonbank financial services providers, the development and documentation of new financial services, bank overdraft practices and disclosures, geographic expansion initiatives, and compliance with federal and state consumer protection laws.
