Tuesday, January 23 • 8:30 – 10:30 a.m. ET

Partner Joseph Kadlec will be speaking during the “The EU Foreign Subsidies Regulation and its effect on US Companies” event hosted by EACC (European American Chamber of Commerce) on January 23, 2024, at the Trade Commission of Spain. Troutman Pepper is a founding member of the EACC-NY.

From July 12, 2023 onwards, all companies doing business in the EU must consider the issue of Foreign Subsidies, especially when planning M&A activities and participating in public tenders which trigger the relevant thresholds. This may lead to a further notification obligation to the European Commission, including a standstill obligation. Joseph Kadlec and his fellow panelists will discuss what the Foreign Subsidies Regulation entails and how it will affect companies doing business across Europe.
