Join Troutman Pepper Locke Partner Brett Mason for a podcast series analyzing the intersection of artificial intelligence (AI), health care, and the law.

In this installment of *The Good Bot*, Brett is joined by partners Chris Carlson and Michael Yaghi to discuss the growing role of state attorneys general in regulatory and enforcement issues around AI. They discuss the recent first-of-its-kind settlement that gives a first glimpse into what state AGs will be focusing on regarding companies' use of this novel technology.
