The Intersection of Bankruptcy and...Environmental Law

SPEAKERS

Gary Marsh

Thursday, May 26 • 1:45 – 3:00 p.m. CT

Gary Marsh will serve as a panelist for the “The Intersections of Bankruptcy and...Environmental Law” webinar on May 26, hosted by Financial Poise. The webinar is the third episode of a four-part bankruptcy series that will examine how bankruptcy law deals with property contamination issues, the sale or abandonment of contaminated property, successor liability, environmental cleanup claims, and dischargeability of governmental claims.
