The Jolly Roger Meets the Jobsite: A Workers' Compensation Voyage

SPEAKERS

Tracey E. Diamond | Emily E. Schifter

In this episode of *Hiring to Firing*, hosts Tracey Diamond and Emily Schifter explore the surprising roots and real-world complexities of workers' compensation law, drawing a playful throughline from pirate "articles" of old, to the movie chain, *Pirates of the Caribbean*, to today's patchwork of state laws. Joined by Todd Wachtel, workers' compensation specialist and partner at Levinson Axelrod, they explore key employer and employee obligations, insurance and reporting requirements, and how classification decisions (employee vs. independent contractor) can make or break coverage. The conversation highlights the interplay between workers' compensation and OSHA, ADA, and FMLA, common pitfalls and retaliation risks, and practical steps to keep workplaces shipshape. Tune in for actionable takeaways to help employers navigate coverage, compliance, and claims with confidence.
