Please join Troutman Pepper Partner Chris Willis and his colleagues Lori Sommerfield and Leigh Poltrock as they discuss HUD's ever-changing disparate impact rule. Topics include an analysis of the rule's many versions over the last 10 years, HUD's reaction to the U.S. Supreme Court's 2015 *Inclusive Communities* decision, what we should expect from an enforcement and litigation standpoint, and what industry participants should do in light of these developments.
