The Law Firms Charging Up The Global 100—And Those Sliding Down

Troutman Pepper was mentioned in the October 2, 2024 *Law.com International* article, [“The Law Firms Charging Up The Global 100—And Those Sliding Down.”](#)

Mergers and demergers have had an effect. Troutman Pepper and Faegre Drinker Biddle & Reath—both the result of U.S. combinations—were among those that rose in the rankings most. Next year A&O Shearman will likely enter the top five by revenue. Meanwhile, Dentons fell noticeably thanks to its demerger with China’s Dacheng, which led to its drop from 5th to 13th in the rankings.
