Friday, January 31 • 9:00 a.m. – 3:00 p.m. CT

Brad Weber will serve as a panelist at SMU Science & Technology Law Review's Retail Law, Technology, and Policy Symposium on Friday, January 31. Brad's panel, Retail and AI: Risks, Opportunities, and Ethics, is from 1:35 – 2:15 p.m.

SMU Science & Technology Law Review's 2025 Symposium will bring together esteemed scholars, experienced practitioners, and industry experts to explore the legal implications of emerging retail technologies and trends. Private practitioners, academics, students, and in-house counsel with an interest in retail, fashion, consumer goods, intellectual property, technology, privacy, business, and sustainability are encouraged to attend.
